

MOCK TEST – RURAL DEVELOPMENT IN INDIA

Class 12 – Chapter 3 (NCERT – Indian Economic Development)

Time	1 hour 30 minutes
Maximum Marks	80
Sections	A (MCQs), B (Very-Short Answers), C (Short Answers), D (Long Answers)
Calculators	Not allowed (data tables provided where required)
Rough work	Use the last page of the answer-sheet.

SECTION A – MULTIPLE CHOICE QUESTIONS (30 × 1 = 30 MARKS)

Choose the correct option (A, B, C or D).

1. The primary objective of rural development is to:

- (A) Increase urban migration
- (B) Improve the quality of life of rural people by ensuring better access to basic amenities and income-generating opportunities
- (C) Promote large-scale industries in villages
- (D) Reduce the role of agriculture in the economy

2. Which of the following is NOT a component of the “Rural Development Planning” process?

- (A) Identification of target groups
- (B) Formulation of credit-linked schemes
- (C) Setting up of urban-centric infrastructure
- (D) Monitoring and evaluation of programmes

3. The “Integrated Rural Development Programme (IRDP)” was launched in:

- (A) 1975
- (B) 1980
- (C) 1990
- (D) 1995

4. Under the IRDP, assistance was provided mainly in the form of:

- (A) Free land distribution
- (B) Subsidy and credit for self-employment
- (C) Direct wage employment
- (D) Free housing

5. The “Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA)” guarantees:

- (A) 50 days of wage employment per year to every rural household
- (B) 100 days of wage employment per year to every rural household
- (C) 150 days of wage employment per year to every rural household
- (D) Unlimited days of wage employment on demand

6. The “Pradhan Mantri Gram Sadak Yojana (PMGSY)” aims at:

- (A) Providing electricity to all villages
- (B) Connecting unconnected habitations with all-weather roads
- (C) Supplying drinking water to every household
- (D) Setting up primary health centres

7. Which of the following institutions is primarily responsible for providing credit to the rural poor through Self-Help Groups (SHGs)?

- (A) Reserve Bank of India (RBI)
- (B) National Bank for Agriculture and Rural Development (NABARD)
- (C) State Electricity Boards
- (D) District Rural Development Agencies (DRDAs)

8. The “National Rural Livelihood Mission (NRLM)” was launched in:

- (A) 2005
- (B) 2011
- (C) 2015
- (D) 2020

9. The “Targeted Public Distribution System (TPDS)” was introduced to:

- (A) Provide foodgrains to all households at subsidised rates
- (B) Target the Below-Poverty-Line (BPL) families for subsidised foodgrain distribution
- (C) Eliminate the role of fair-price shops
- (D) Offer free meals to school children

10. The “Kisan Credit Card (KCC)” scheme provides:

- (A) Credit for purchase of agricultural land
- (B) Short-term credit to farmers for crop production and other needs
- (C) Long-term loans for setting up agro-processing units
- (D) Credit only to large-scale farmers

11. Which of the following is NOT a major source of rural employment in India?

- (A) Agriculture
- (B) Non-farm activities (rural industries, services)
- (C) Government jobs in metropolitan cities
- (D) MGNREGA wage work

12. The “Rural Health Mission” (now part of the National Health Mission) focuses on:

- (A) Setting up of multi-specialty hospitals in towns
- (B) Providing primary health care in rural areas through sub-centres, PHCs and CHCs
- (C) Building luxury resorts in villages
- (D) Funding urban health schemes

13. The “Anganwadi Services” under the “Integrated Child Development Services (ICDS)” provide:

- (A) Free textbooks to school children
- (B) Supplementary nutrition, immunisation, and pre-school education to children below 6 years and pregnant mothers
- (C) Loans to rural women for small businesses
- (D) Free electricity to villages

14. The “Aadhaar-enabled Direct Benefit Transfer (DBT)” in rural schemes aims at:

- (A) Increasing the number of bank branches in villages
- (B) Reducing leakages by transferring benefits directly to beneficiaries’ bank accounts
- (C) Providing credit to farmers without collateral
- (D) Promoting organic farming

15. Which of the following is a major challenge to rural development in India?

- (A) Over-abundance of skilled labour in villages
- (B) High levels of regional disparities and infrastructure deficit
- (C) Excessive rainfall throughout the year
- (D) Lack of any government programmes

16. The “Sarva Shiksha Abhiyan (SSA)” primarily focuses on:

- (A) Higher education in rural areas
- (B) Universalisation of elementary education (classes 1-8)
- (C) Providing free uniforms to college students
- (D) Setting up rural universities

17. The “Pradhan Mantri Awaas Yojana – Gramin (PMAY-G)” aims at:

- (A) Providing pucca houses to all rural households by 2022
- (B) Constructing roads in hilly areas only
- (C) Funding urban housing projects
- (D) Supplying free televisions to villages

18. The “APMC Act” regulates:

- (A) Agricultural price marketing and setup of mandis
- (B) Agricultural education and research
- (C) Setting up of small-scale agro-industries
- (D) Distribution of seeds and fertilizers

19. The “e-NAM” (Electronic National Agriculture Market) seeks to:

- (A) Provide free seeds to farmers
- (B) Create a pan-India electronic platform for trading agricultural produce
- (C) Set up cold storage in every village
- (D) Offer credit cards to farmers

20. Which of the following is a major reason for the persistent agrarian crisis in India?

- (A) Excessive monsoon rains every year
- (B) Low productivity, lack of market access, and inadequate credit facilities
- (C) Over-industrialisation of rural areas
- (D) Absence of any government schemes

21. The “Kisan Samman Nidhi” (PM-KISAN) provides income support of:

- (A) ₹2,000 per year to every farmer
- (B) ₹6,000 per year to eligible farmer families (in three equal installments)
- (C) ₹50,000 per year to all land-owning farmers
- (D) Free seeds and fertilisers to all farmers

22. The “Rural Employment Generation Programme (REGP)” is implemented by:

- (A) Ministry of Agriculture
- (B) Ministry of Rural Development (through KVIC)
- (C) Ministry of Urban Development
- (D) Ministry of Health

23. The “National Rural Drinking Water Programme (NRDWP)” aims at:

- (A) Providing free electricity to villages
- (B) Ensuring safe drinking water to rural households
- (C) Building highways in rural areas
- (D) Setting up post offices in villages

24. The “Mahatma Gandhi Rural Industrialisation Scheme” is popularly known as:

- (A) PMGSY
- (B) MGNREGA
- (C) KVIC’s Rural Employment Generation Programme
- (D) ICDS

25. Which of the following statements is true about the “Poverty Line” in India?

- (A) It is defined solely on the basis of income.
- (B) It is determined by the Planning Commission (now NITI Aayog) using a consumption-based methodology.
- (C) It has been abolished after 2015.
- (D) It is uniform across all states.

26. The “Rural Infrastructure Development Fund (RIDF)” is operated by:

- (A) RBI
- (B) NABARD
- (C) World Bank
- (D) State governments

27. The “Jawahar Gram Samridhi Yojana (JGSY)” was a wage-employment programme that merged into:

- (A) MGNREGA
- (B) NRLM
- (C) PMGSY
- (D) ICDS

28. Which of the following is a major issue affecting rural women's participation in economic activities?

- (A) Excessive availability of part-time jobs
- (B) Social norms, lack of childcare, and limited access to credit and training
- (C) Over-investment in women's education without job opportunities
- (D) Mandatory retirement at age 45

29. The "Rural Credit Survey Committee" (1951) highlighted the need for:

- (A) Institutional credit for agriculture and allied activities
- (B) Complete nationalisation of banks
- (C) Abolition of all rural credit schemes
- (D) Introduction of GST in villages

30. The "Sustainable Development Goals (SDGs)" target to end poverty in all its forms everywhere by:

- (A) 2020
- (B) 2025
- (C) 2030
- (D) 2050

SECTION B – VERY SHORT ANSWER QUESTIONS (10 × 2 = 20 MARKS)

Answer each question in 2–3 sentences.

31. State any two major objectives of rural development in India.

32. Name any two government schemes that aim at providing credit to the rural poor.

33. What is the primary function of the "Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA)"?

34. Mention any two components of the "Integrated Rural Development Programme (IRDP)".

35. What is meant by "Self-Help Groups (SHGs)" and how do they help in rural development?

36. Give any two reasons why rural infrastructure (roads, electricity, irrigation) is essential for development.

37. What is the "Aadhaar-enabled Direct Benefit Transfer (DBT)" and why is it used in rural schemes?

38. Mention any two challenges faced by the “Agricultural Produce Market Committee (APMC)” system.

39. State one major difference between “MGNREGA” and the “Pradhan Mantri Gram Sadak Yojana (PMGSY)”.

40. What is the “National Rural Livelihood Mission (NRLM)” and what is its primary focus?

SECTION C – SHORT ANSWER QUESTIONS (5 × 4 = 20 MARKS)

Answer each question in about 80-100 words.

41. Discuss the role of the “National Bank for Agriculture and Rural Development (NABARD)” in rural credit and development.

42. Evaluate the impact of the “MGNREGA” on rural employment, wage rates, and migration.

43. Explain the significance of “Self-Help Groups (SHGs)” in empowering rural women and promoting micro-entrepreneurship.

44. Examine the major challenges facing the “Agricultural Produce Market Committee (APMC)” system and the recent reforms (e.g., e-NAM).

45. Analyse the effectiveness of the “Pradhan Mantri Gram Sadak Yojana (PMGSY)” in improving rural connectivity and its impact on rural economic activities.

SECTION D – LONG ANSWER QUESTIONS (2 × 5 = 10 MARKS)

Answer each question in about 150-200 words.

46. “Rural development in India has been marred by persistent poverty, inadequate infrastructure, and regional imbalances.” In the light of this statement, discuss the major rural development programmes launched after 1990 and suggest measures to make them more effective.

47. Critically examine the role of institutional credit, Self-Help Groups, and micro-finance in alleviating rural poverty. Also, suggest reforms needed to strengthen the rural credit delivery system.

ANSWER KEY & EXPLANATIONS

Q.No.	Answer	Explanation
1	B	Rural development aims at improving the quality of life of rural people through better amenities and income opportunities.
2	C	Rural planning does not focus on urban-centric infrastructure.
3	B	IRDP was launched in 1980.
4	B	IRDP provided subsidy and credit for self-employment.
5	B	MGNREGA guarantees 100 days of wage employment per year to every rural household.
6	B	PMGSY connects unconnected habitations with all-weather roads.
7	B	NABARD supports SHGs and micro-credit.
8	B	NRLM was launched in 2011.
9	B	TPDS targets BPL families.
10	B	KCC provides short-term credit to farmers.
11	C	Government jobs in metros are not a major source of rural employment.
12	B	Rural Health Mission provides primary health care in rural areas.
13	B	Anganwadi services provide supplementary nutrition, immunisation, and pre-school education.
14	B	Aadhaar-enabled DBT reduces leakages by direct transfer to beneficiaries.
15	B	Regional disparities and infrastructure deficit are major challenges.
16	B	SSA aims at universalisation of elementary education.
17	A	PMAY-G aims at providing pucca houses to all rural households.
18	A	APMC regulates agricultural price marketing and mandis.
19	B	e-NAM creates a pan-India electronic platform for agricultural trade.
20	B	Low productivity, market access, and credit issues cause agrarian crisis.
21	B	PM-KISAN provides ₹6,000 per year to eligible farmer families.
22	B	REGP is implemented by the Ministry of Rural Development through KVIC.
23	B	NRDWP aims at providing safe drinking water.

Q.No.	Answer	Explanation
24	C	It is the KVIC's Rural Employment Generation Programme.
25	B	The Planning Commission (now NITI Aayog) defines the poverty line using a consumption-based methodology.
26	B	RIDF is operated by NABARD.
27	A	JGSY merged into MGNREGA.
28	B	Social norms, lack of childcare, and limited credit/training hinder women's participation.
29	A	The committee highlighted the need for institutional credit for agriculture.
30	C	SDGs aim to end poverty by 2030.
