

MOCK TEST – COMPARATIVE DEVELOPMENT EXPERIENCES OF INDIA AND ITS NEIGHBOURS

Class 12 – Chapter 6 (NCERT – Indian Economic Development)

Time	1 hour 30 minutes
Maximum Marks	80
Sections	A (MCQs), B (Very-Short Answers), C (Short Answers), D (Long Answers)
Calculators	Not allowed (data tables provided where required)
Rough work	Use the last page of the answer-sheet.

SECTION A – MULTIPLE CHOICE QUESTIONS (30 × 1 = 30 MARKS)

Choose the correct option (A, B, C or D).

1. Which neighbour of India achieved a rapid “export-led growth” model in the 1990s, especially through the ready-made garments industry?

- (A) Pakistan
- (B) Bangladesh
- (C) Sri Lanka
- (D) Nepal

2. The “Green Revolution” was first introduced in India in the late-1960s. Which neighbouring country also adopted high-yielding varieties of wheat and rice around the same period?

- (A) Bangladesh
- (B) Pakistan
- (C) Sri Lanka
- (D) Bhutan

3. Which neighbour of India has the highest Human Development Index (HDI) value among the South Asian nations (as per the latest HDR)?

- (A) India
- (B) Pakistan
- (C) Sri Lanka
- (D) Bangladesh

4. The “Industrial Policy” of Pakistan in the 1950s-60s laid emphasis on:

- (A) Export-oriented industrialisation
- (B) Import-substitution industrialisation (ISI) with a focus on capital-goods industries
- (C) Privatisation of all public-sector units
- (D) Liberalisation of foreign investment

5. Which country among India’s neighbours introduced the “Five-Year Planning” model first?

- (A) Pakistan
- (B) Bangladesh
- (C) Sri Lanka
- (D) Nepal

6. The “Banking sector reforms” in India (1991) were similar to the reforms undertaken in Pakistan in the early 1990s, but differed in:

- (A) Deregulation of interest rates
- (B) Reduction of statutory liquidity ratio (SLR)
- (C) Emphasis on micro-finance institutions
- (D) Full nationalisation of banks

7. The “Mahatma Gandhi” concept of “Sarvodaya” influenced the development approach of:

- (A) Pakistan
- (B) Bangladesh
- (C) Sri Lanka
- (D) Nepal

8. Which neighbour of India relies heavily on remittances from overseas workers, accounting for more than 10 % of its GDP?

- (A) Pakistan
- (B) Bangladesh
- (C) Nepal
- (D) Bhutan

9. The “National Rural Employment Guarantee Act (MGNREGA)” is a unique wage-employment programme in India. A similar programme in Bangladesh is known as:

- (A) Food for Work (FFW)
- (B) Employment Generation Programme (EGP)
- (C) Test Relief (TR)
- (D) KABP

10. In the 1970s, Bangladesh adopted a “Socialist” economic model that included nationalisation of:

- (A) Heavy industry only
- (B) Jute mills, banks and insurance companies
- (C) All private schools
- (D) All export-oriented industries

11. Which of the following indicators is NOT used in the Human Development Index (HDI)?

- (A) Life expectancy at birth
- (B) Mean years of schooling
- (C) Gross National Income (GNI) per capita (PPP)
- (D) Carbon emissions per capita

12. The “Poverty Headcount Ratio” (people living below the poverty line) in Bangladesh fell sharply after the 1990s, mainly due to:

- (A) Large-scale land reforms
- (B) Growth of the readymade garments export sector and micro-credit programmes
- (C) Complete eradication of income inequality
- (D) Massive foreign aid without any reforms

13. The “HDI gap” between India and Sri Lanka is primarily explained by differences in:

- (A) Agricultural productivity only
- (B) Education and health outcomes
- (C) Industrial output only
- (D) Defence spending

14. Which neighbour of India introduced the “Jute Policy” to support jute farmers and later became a major exporter of jute goods?

- (A) Bangladesh
- (B) Pakistan
- (C) Nepal
- (D) Bhutan

15. The “Structural Adjustment Programme (SAP)” in the early 1990s was undertaken by:

- (A) India only
- (B) Pakistan only
- (C) Both India and Pakistan, but with different conditionalities
- (D) None of the above

16. In the context of “Gender Development Index (GDI)”, the best-performing South Asian country historically has been:

- (A) India
- (B) Pakistan
- (C) Sri Lanka
- (D) Bangladesh

17. The “Land Reforms” in Pakistan (1950-70) were less effective than in India because:

- (A) Large landowners (feudals) retained control over land
- (B) The government imposed a ceiling on holdings uniformly across provinces
- (C) There was no feudal system in Pakistan
- (D) Land was distributed to all landless farmers

18. The “Nehru-Mahalanobis Strategy” of heavy-industry-led growth was adopted by:

- (A) India only
- (B) Pakistan only
- (C) Both India and Pakistan in the 1950s
- (D) Bangladesh only

19. Which neighbour of India has the highest “Life Expectancy at Birth” (as per latest data)?

- (A) India
- (B) Pakistan
- (C) Sri Lanka
- (D) Bangladesh

20. The “Fiscal Deficit” as a percentage of GDP in India (2022-23) is around 6 % whereas in Pakistan it was higher, mainly because of:

- (A) Lower defence spending
- (B) Large debt servicing and subsidies
- (C) Higher tax revenue collection
- (D) Smaller public-sector size

21. The “Export-Processing Zones (EPZs)” were set up in Bangladesh in the early-1980s to promote:

- (A) Agriculture only
- (B) Textiles and readymade garments for export
- (C) Heavy engineering goods
- (D) Tourism

22. The “Human Development Report (HDR)” is published by:

- (A) World Bank
- (B) International Monetary Fund
- (C) United Nations Development Programme (UNDP)
- (D) Asian Development Bank

23. Which neighbour of India has the highest “GDP per capita (PPP, US\$)” among the South Asian nations?

- (A) India
- (B) Pakistan
- (C) Sri Lanka
- (D) Bangladesh

24. The “Right to Work” is a constitutional provision in:

- (A) India (through MGNREGA)
- (B) Pakistan
- (C) Bangladesh
- (D) Nepal

25. The “Panchayati Raj” system of local-government is present in:

- (A) India only
- (B) Pakistan
- (C) Bangladesh
- (D) Nepal

26. The “Micro-credit revolution” was most pronounced in:

- (A) India (SHG-Bank Linkage)
- (B) Bangladesh (Grameen Bank)
- (C) Pakistan
- (D) Sri Lanka

27. Which neighbour of India has the largest “share of services sector” in its GDP (above 55 %)?

- (A) Pakistan
- (B) Bangladesh
- (C) Sri Lanka
- (D) Nepal

28. The “World Trade Organization (WTO)” was opposed by farmers in India and also in:

- (A) Pakistan
- (B) Bangladesh
- (C) Nepal
- (D) All of the above

29. The “International Labour Organization (ILO)” conventions on child labour have been ratified by:

- (A) India only
- (B) Pakistan only
- (C) Sri Lanka only
- (D) India, Pakistan, Bangladesh and Sri Lanka (all major neighbours)

30. The “Sustainable Development Goals (SDGs)” have been integrated into the national development plans of:

- (A) India only
- (B) Pakistan only
- (C) All South Asian nations, including India’s neighbours
- (D) None of the neighbours

SECTION B – VERY SHORT ANSWER QUESTIONS (10 × 2 = 20 MARKS)

Answer each question in 2–3 sentences.

31. Mention any two indicators used to compare the economic performance of India with its neighbours.

32. State two reasons why Bangladesh’s export-oriented garment industry grew faster than India’s in the 1990s.

33. What is the “Human Development Index (HDI)”?

34. Name any two neighbours of India that have a higher life-expectancy at birth than India.

35. Mention one major similarity in the industrial policies of India and Pakistan in the 1950s-60s.

36. Why is Sri Lanka’s HDI relatively higher than India’s, despite a smaller GDP?

37. Give one reason why Nepal’s economic growth has been lower than India’s.

38. What is the “Poverty Headcount Ratio”?

39. State one major difference between the land-reform measures in India and Pakistan.
40. Mention any two challenges faced by Pakistan's economy in the 2000s.

SECTION C – SHORT ANSWER QUESTIONS (5 × 4 = 20 MARKS)

Answer each question in about 80-100 words.

41. Compare the growth performance (average annual GDP growth) of India, Pakistan, Bangladesh and Sri Lanka over the last three decades (1990-2020).
42. Discuss the role of “micro-credit” in poverty reduction in Bangladesh and its relevance for India.
43. Analyse the impact of “structural adjustment programmes” on the economies of India and Pakistan in the 1990s.
44. Explain the “Green Revolution” experience in India and Pakistan, highlighting the differences in outcomes.
45. Examine the “social welfare” policies of Sri Lanka that have contributed to its higher human-development indicators compared with India.

SECTION D – LONG ANSWER QUESTIONS (2 × 5 = 10 MARKS)

Answer each question in about 150-200 words.

46. “Although India and its neighbours started with similar socio-economic conditions after independence, their development trajectories have diverged significantly.” Discuss the major factors responsible for this divergence, with reference to at least three neighbouring countries.
47. Evaluate the effectiveness of the economic reforms (liberalisation, privatisation, globalisation) undertaken in India, Pakistan and Bangladesh since the 1990s. Highlight the similarities and differences in their outcomes.

ANSWER KEY & EXPLANATIONS

Q.No.	Answer	Explanation
1	B	Bangladesh's ready-made garments sector became the engine of export-led growth in the 1990s.
2	B	Pakistan introduced the Green Revolution (wheat & rice) in the late-1960s.
3	C	Sri Lanka consistently scores the highest HDI among South Asian nations.
4	B	Pakistan's early industrial policy followed an ISI model.
5	A	Pakistan started Five-Year Planning in 1955.
6	C	Emphasis on local bank-intermediated micro-finance vs cooperative/SHG models.
7	D	Concepts of equity and rural welfare influenced Bhutan/Nepal's developmental thought.
8	C	Nepal's economy is highly dependent on remittances from migrants.
9	A	The "Food for Work" programme is a major rural support scheme in Bangladesh.
10	B	Major sectors were nationalised following independence in 1971.
11	D	HDI measures health, education, and standard of living (GNI).
12	B	Textile growth provided mass employment while NGOs provided credit.
13	B	Higher primary education and healthcare access drive Sri Lanka's score.
14	A	Bangladesh remains a dominant global player in the jute industry.
15	C	Both opened up but India's reforms led to higher sustained growth.
16	C	Social welfare indicators for women are much higher in Sri Lanka.
17	A	Land ownership remained concentrated among the rural elite in Pakistan.
18	A	Strategic focus on basic and heavy industries was an Indian hallmark.
19	C	Longevity in Sri Lanka is almost a decade higher than the regional average.
20	B	Debt servicing consumes a vast portion of Pakistan's budget.
21	B	EPZs were instrumental in attracting FDI for the garment sector.
22	C	UNDP publishes health and development metrics annually.
23	C	Sri Lanka generally leads in per capita GDP in the immediate neighborhood.
24	A	MGNREGA is the world's largest legal employment guarantee.
25	A	Constitutionalised 3-tier system is specific to India.
26	B	Muhammad Yunus's Grameen Bank changed the global landscape of finance.

Q.No.	Answer	Explanation
27	C	Tourism and finance make the services sector dominant in Sri Lanka.
28	D	Widespread agrarian dissent across South Asia regarding subsidies and patent laws.
29	D	As members of ILO, they strive for international labour standards.
30	C	SDGs are the global framework for all UN member states since 2015.
