Geography (Class 12) – Complete Exam Pattern & Trend Analysis

## STEP 1: EXAM WEIGHTAGE & PATTERN

| SECTION   | QUESTION TYPE               | COUNT | TARGET STRATEGY                                  |
|-----------|-----------------------------|-------|--------------------------------------------------|
| Section A | MCQs (1 Mark)               | 17    | Focus: Definitions, Geographers, Census Data.    |
| Section B | Source/Case Based (3 Marks) | 2     | Trends of Urbanisation & Pollution Case Studies. |
| Section C | Short Answer (3 Marks)      | 4     | Water Resources, HDI, Transport logic.           |
| Section D | Long Answer (5 Marks)       | 5     | Distribution Factors & Rail characteristics.     |
| Section E | Map Work (5+5 Marks)        | 2     | Fixed Locations – 100% Repetition.               |

## STEP 2: THE "GUARANTEED" REPEATED QUESTIONS

### 1. Factors Influencing Population Distribution (World)

Frequency: 5/6 Papers. Geographical (Water, Climate, Soil), Economic (Minerals, Urbanisation), and Social factors.

### 2. Trans-Continental Railways (World)

Frequency: 5/6 Papers. Terminal points of Trans-Canadian (Halifax-Vancouver) and Trans-Siberian (St. Petersburg-Vladivostok).

### 3. Human Development Pillars/Approaches

Frequency: 4/6 Papers. Equity, Sustainability, Productivity, Empowerment. Approaches: Income, Welfare, Capability.

## STEP 3: MAP WORK (CRITICAL 10 MARKS)

### A) World Map – Top Recurring Targets:

Nomadic Herding (Africa)    Prairies/Pampas Farming    Hamburg/Tokyo Ports    Rhine Waterway  
Vancouver Station

### B) India Map – Top Recurring Targets:

Bailadila (Iron Ore)    Khetri (Copper)    Mathura (Refinery)    Bihar (Highest Density)  
Neyveli (Coal)    Digboi (Oil)

## STEP 4: CHAPTER-WISE HIGH PROBABILITY

**Book 1 (Fundamentals):** Primary Activities (Nomadic vs Commercial), Suez vs Panama Canal distinctions, Definitions by Ratzel/Vidal.

**Book 2 (India):** Push/Pull Factors of Migration, Watershed Management (Neeru-Meeru/Haryali), Indira Gandhi Canal planning impact.

## STEP 5: LAST MINUTE REVISION CHEAT SHEET

- Highest Density State: **Bihar**
- Lowest Density State: **Arunachal**
- Trans-Siberian: **St. Petersburg ↔ Vladivostok**
- Trans-Canadian: **Halifax ↔ Vancouver**
- Iron Mine (Odisha): **Mayurbhanj**
- Iron Mine (CG): **Bailadila**
- Oil Refinery (UP): **Mathura**
- Oil Refinery (Bihar): **Barauni**
- HDI Leaders: **Norway/Switzerland**
- Golden Quadrilateral: **D-M-C-K**

## FINAL SUMMARY

Focusing on the **Factors of Population Distribution, Railway Terminals, and India Resources Map** covers approx 60% of the total marking weightage. Master the "Urbanisation Table" for the source-based section.

**STAY CONSISTENT. STAY A TOPPER.**
