MOST IMPORTANT REPEATING QUESTION FORMATS

PREPARED BY SARA THUNDERSTUDY

1. Theories of Intelligence & Aptitude

"Compare and contrast technological and integral approaches to intelligence. Discuss the cultural factors that influence these perspectives."

Exam Insight: Frequently asked as a 6-marker. Focus on Western (speed, abstraction) vs. Indian/Holistic (social & emotional intelligence) paradigms.

Case Study: "Ryan can recall formulae but cannot solve problems, while Shireen can solve any problem using formulae. Explain the intelligence they exhibit."

Exam Insight: Tests **Arthur Jensen's Hierarchical Model**. Ryan shows Level I (Associative) and Shireen shows Level II (Cognitive competence).

2. Self and Personality

"What are the chief features and benefits of using projective techniques (e.g., Rorschach, TAT, Draw-a-Person) to assess personality?"

Exam Insight: Explain how these uncover **unconscious motives** and reduce social desirability bias.

"How does Freud explain the structure of personality (Id, Ego, Superego)?"

Exam Insight: Define the Pleasure Principle (Id), Reality Principle (Ego), and Morality Principle (Superego).

3. Meeting Life Challenges (Stress)

Application Case Study: "Mukesh encounters a snake" or "Suman's house is on fire."
Identify bodily responses.

Exam Insight: Requires explanation of **Hans Selye's GAS model** stages: Alarm reaction, Resistance, and Exhaustion.

"Explain the role of social support (Tangible, Informational, Emotional) in reducing stress."

Exam Insight: A staple 3-4 mark question. Clearly differentiate the three types of support.

4. Psychological Disorders & Therapies

"Discuss the key ethical standards professional psychotherapists must adhere to."

Exam Insight: Always mention **Informed Consent**, **Confidentiality**, and **Respect for Patient Rights**.

"Discuss the role of core schemas and irrational beliefs in Cognitive Therapies."

Exam Insight: Be ready to compare **Beck's Cognitive Therapy** with **Ellis's REBT** (The ABC Model).

5. Group Processes & Social Influence

"State the key differences between a group and a team."

Exam Insight: Focus on **individual vs. collective responsibility** and shared vs. distinct goals.

"Identify and explain strategies to reduce social loafing within a group."

Exam Insight: Explain how making **individual efforts identifiable** and increasing goal importance can mitigate this.
